</body>

</html>

```

## Output

The screenshot shows a web browser window with a single tab titled 'Registration'. The address bar shows the file path 'C:/Users/annem/OneDrive/Desktop/registration.html'. The page has a light pink background. At the top, the text 'Personal Expense Tracker' is displayed next to a small icon of a classical building. Below this, a white registration form is centered. The form has a title 'Registration Form' and four input fields: 'Email:', 'Password:', 'ConfrimPassword:', and 'Initial Wallet Amount (Rs):'. A pink 'Register' button is located below the 'Initial Wallet Amount' field. At the bottom of the form, there is a link: 'Already an existing user? [Login Here](#)'.
